**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Over the years, I've had AT&T, Comcast, back to AT&T. Their service was bad, slow, spotty, and expensive. I'm sure it was because they had no competition. They stank because the market gave them a green light to stink. I got Sonic this spring. It's great: fast, consistent, and cheap. Now AT&T/Comcast have real competition--at least here in my area.

The telecom market isn't a "free market." It will always have rules. The only question is whether the federal government will speak up to make sure those rules promote real competition. Please don't leave it up to AT&T and Comcast to decide the rules. Make the free market truly free!
